Description

The unit is of steel portal frame construction with part block and part profile steel clad elevations under a pitched roof with PV solar panels on both pitches.

Internally the unit benefits from high level windows on the elevation facing St Mary's Court (the adjacent office scheme), a concrete floor, pedestrian door and roller shutter loading door measuring 6m (w) by 5m (h). The eaves height is 5.6m to the haunch and 7.3m to the apex.

The loading door benefits from a covered loading bay.

Externally there is ample room for vehicle turning and staff parking.

N.B. An office/welfare block can be constructed within the unit but with separate access, if required by the incoming tenant, to an agreed size/design, at an additional rent. Contact the agent for further details.
