DESCRIPTION

The plot is ideally located in a tucked away position within the highly sought after village of Aldborough, on the outskirts of The Green. The current planning grants permission for a contemporary three bedroom detached home measuring approximately 1,700 sq ft to include a multi aspect open plan kitchen/dining/living room with sliding patio doors to front and rear gardens, ground floor shower room, utility room and home office. To the first floor is a family bathroom and three double bedrooms, with the principle room boasting walk in wardrobe/dressing room, ensuite and double sliding glass patio doors onto Juliette balcony. The property is approached via a shared driveway and accessed through a five bar timber gate, with parking for two vehicles to the side of the proposed home. Foundations for the property have already been laid and services partially connected.

LOCATION

Aldborough is a popular village located approximately 5 miles from the market town of Aylsham and approximately 7 miles from the beautiful North Norfolk Coast. The building plot is situated just off The Green within the village, which offers a pub/restaurant and post office/village shop, a nearby doctors surgery, primary and pre school. The plot can be accessed via a shared driveway.

SERVICES

Mains water is connected but needs commissioning by an Anglian Water contractor. Single phase electric supply to TBS cabinet (three phase electric supply is available at source for possible future use). BT ducting and cable has been installed by Open reach ready for connection.
